3. The following sport-specific considerations may be given by the Recommendations Committee:
  - a. **Football.** A Primary referee and his/her entire crew may be submitted as a 5-man play-off crew for the first round of FHSAA Play-offs. Once crews are established, the committee shall total the combined points of each recommended crew to determine the rating of each crew and the order in which they will be submitted to the FHSAA. When selecting a 7-man Play-off crew, the Committee will select crews by positions if possible, using the Relative Rating the basis. Any member of the MFOA may be excluded based on Subsection 2.     - i. If an official is unable to accept or turns back a regional or state series playoff assignment, the next available official will be assigned unless the FHSAA requests a specific official. For example, if Crew #1 and Crew #2 are assigned and one official is unable to accept or turns back the assignment cancels from either crew, then the R1 from Crew 3 would be the replacement. The replacement should come from the list approved by the membership unless the FHSAA request a specific official.
  - c. **Baseball and Softball.** Any MFOA official may be excluded from playoff consideration based on Subsection 2 of this Section (above). However, the performance and appearance must be documented on a written evaluation form and submitted to the baseball/softball directors and the Recommendations Committee.

    - i. A member for flag football must have attended a minimum of 4 clinics to be eligible to be on a playoff crew. These clinics may include: Rules study sessions, scrimmages, mechanics field clinic &/or FHSAA field clinic. If necessary, the recommendation committee may assign members with fewer clinics than required.
4. At the designated meeting for the specific sport, the Recommendations Committee shall present playoff crew selections to the membership of that respective sport for approval.
