Account
Information

Account Number

If your funding source is a checking account, you must include account information from the bottom of a check as shown above. This is usually your account number plus one extra digit. If your funding source is a savings account, you can simply enter your account number at the other financial institution.

I hereby authorize Mid-Florida Officials Association to submit my payments via direct deposit.

Signature: _____

Printed Name: _____

Date: _____

**If at any time your account information changes, please provide updated information.
